

## Workshop | Gaining Insight into the Participant Portal – Your Tool to EU Funding

Thursday, 21 February 2019 | 10:00-11:30 h

Research Department – EU Office | Von-Siebold-Straße 4, 37075 Göttingen

Meeting Room - 1st Floor

The EU recently replaced its well-established “Participant Portal” with the “Funding & Tenders Opportunities Portal” as the entry point for participants and experts to EU-funding programmes. In this workshop, research advisors from the EU Office, Lisa Grow, Claudia Sültmann and Christian Schöpfer, will demonstrate how to do the following:

- | Search for calls for proposals
- | Apply for EU-funding
- | Manage your EU-projects
- | Register as an expert reviewer

As this workshop is praxis-oriented, participants can work step-by-step on each of the above topics directly in the new portal. Please bring your own laptop with either eduroam or provider-based internet access with you!

Researchers and scholars from all academic disciplines and at all career levels are invited to attend.
