

COST – Your Doorway to EU-Funding

Thursday, 20 June 2019 | 10:00 -11:30

Research Department – EU Office | von-Siebold-Straße 4, 37075 Göttingen

Meeting Room - 1st Floor

COST - an EU-funded programme – offers researchers and scholars the ideal means to establish or develop transnational interdisciplinary research networks over Europe and beyond. These networks called COST Actions allow researchers and scholars to develop their own ideas and new initiatives across all fields in science and technology, including social sciences and humanities, by providing funds to organise workshops, conferences, meetings, training schools, short scientific exchanges, dissemination and other networking activities.

Simplified application and reporting procedures make [COST](#) a flexible, fast, efficient and very effective networking instrument by providing funding for up to four years. COST actions can pave the way to creating consortia for future EU-funded research projects.

Research advisors from the EU-Office, Lisa Grow, Claudia Sültmann and Christian Schöpfer, will present the broad spectrum of eligible networking activities and provide details on how to submit a proposal or how to join an existing COST Action or how to become an external expert. In addition, PD Dr. Christian Brischke, Department of Wood Biology and Wood Products, Faculty of Forestry and Ecology will offer firsthand insight on his experiences with COST Actions.

REGISTRATION

Researchers and scholars from all academic disciplines and at all career levels are invited to attend.

This workshop is limited to 25 participants.

Please register at the latest by **Friday, 7 June 2019** per email:

Ms. Gunhilde Wilz gunhilde.wilz@zvw.uni-goettingen.de | Tel.: 0551 39-24316 | EU Office

The EU Office at the University of Göttingen offers support services to researchers and scholars at all career stages and with all aspects regarding EU Research Programs – from designing proposals for individual grants to major collaborative projects as well as in administering EU-funded projects.

Please contact us should you have any questions concerning EU-funding schemes or other opportunities, such as how to become an EU research expert. [Find more on our website](#)
