For PhDs
& Postdocs
of all
disciplines

Online Workshop • 14.02.2023 • 2 pm – 4.30 pm FUTURE THINKING

Do you wonder what the world will look like in ten or fifteen years? How do you and your research fit into future scenarios? In this workshop, you will learn techniques to venture a glimpse into the unknown as well as to learn about trend analysis to find future visions and innovation potential.

Who we are

Young Entrepreneurs in Science is an interactive workshop programme for PhDs and postdocs to help you ignite your entrepreneurial spirit! Together with your peers, you will learn methods and skills to realise your innovative potential.

Admission is free and no previous knowledge is required.

Workshop Goals

- Learn and reflect on relevant future trends in a specific field
- Discover possible futures that are worth being prepared for
- Develop a future scenario that you would like to become a reality
